This is in response to the Advisory Action. In the Advisory Action, it was indicated that claims 1-4, 6 and 10 have been allowed. Thus to advance prosecution, claims 7-9 and 11-31 have been canceled without prejudice. The cancellation of the claims should not be an indication of acquiescence to the Examiner's position. Applicant reserves the right to file subsequent continuation and/or divisional applications containing claims encompassing the canceled subject matter.

In view of the foregoing, Applicants assert that the claims are now in condition for allowance. Early action to that end is respectfully requested. The Examiner is invited to contact the undersigned at (914) 712-0093 if he has any questions.

Respectfully submitted,

/Cheryl H Agris/
